ATTEND FREE HOW-TO SEMINARS

9:30 A.M.

REMODEL SMART • MORRISSEY BUILDERS • EDC
Increase your home's comfort and energy performance! Morrissey Builders know that project development and planning are key to your project's success. Learn from the experts about green strategies that pay lasting dividends too!

WORM COMPOSTING: NEXT STEP TO ZERO WASTE AT HOME • EUREKA RECYCLING • Rm 102
Live in an apartment? Don't have room to compost? Composting is easier than you think! Learn worm composting bin how-to's AND how to prevent food waste. You'll also get take-home resources and be able to buy composting worms to get started.

BUILDING AN OUTDOOR ROOM • JOEL KARSTEN • Rm 108
This workshop will guide you on the fundamentals to consider when creating your own outdoor "room" where you can get away, relax, entertain, and dine al fresco.

10:30 A.M.

EMPTY NESTERS - WHAT'S NEXT? • DESIGN RENOVATIONS • Rm 108
Redesign your home for family entertainment! Learn how to convert small spaces to better fit today's lifestyle while maintaining traffic flow. Don't forget to include your outdoor spaces in your modification.

VEGETABLE GARDENING IN SMALL, URBAN SPACES • RALPH THRANE, MASTER GARDENER • EDC
Ever wonder if it's OK to plant the same vegetables every year? Ralph has grown 6 vegetables on the same 3' x 12' plot for 20 years and enjoys his harvest long after most gardens are "put to bed." Learn how he does it with double digging and hoop gardening.

GIVE YOUR BATHROOM A MINI-MAKEOVER WITH WATERSense • HOME DEPOT • Rm 102
The water we use in our bathrooms accounts for more than half of all water we use in our homes. Learn about new plumbing technology and design that uses less water while delivering the rinse, spray, or flush you expect. Get information on models and prices to help save water & money.

11:30 A.M.

YOUR HOME ENERGY MAKEOVER • XCEL ENERGY • EDC
Learn how to save money on your gas and electric bills and make your home more comfortable. Get the latest info on saving on heating and cooling and learn how to stop the biggest energy wasting habits. Roseville residents can sign up at the workshop for a FREE Xcel Energy home energy audit* combined with a \$30 Home Energy Squad visit, worth over \$400. *Free energy audit is for the first 100 Roseville Residents who sign up for the audit at the workshop. All others, including residents of other communities, can find out how to get reduced energy audits.

HOME AFFORDABLE REFINANCE PROGRAM (HARP) • BREMER BANK • Rm 108
HARP gives homeowners the option to refinance an "Under Water Mortgage." HARP can help a homeowner whose property value has decreased, causing them to no longer qualify under traditional underwriting criteria. HARP has been extended until December 31, 2013.
